

Patient Pricing |

In compliance with state law, Fayette County Memorial Hospital is providing this price list containing our charges for room and board, emergency department, operating room, delivery, physical therapy and other procedures. The hospital's charges are the same for all patients, but a patient's responsibility may vary, depending on payment plans negotiated with individual health insurers. Uninsured or underinsured patients should consult with our admitting and billing staff to determine whether they qualify for discounts. These prices are correct as of January 1, 2018.

As a patient of Fayette County Memorial Hospital (FCMH), we will bill your insurance company for the services rendered at our facility. It is your obligation to give us the correct information regarding your insurance company and demographics in efforts to complete the billing processes. Upon payment by your insurance company, if there is an outstanding balance, it is your responsibility to fulfill the outstanding balances.

If you are uninsured or self-pay and need assistance fulfilling your remaining balance, you can contact FCMH's financial counselors at 333-2725. FCMH has financial aid programs available to assist you. The programs include the state of Ohio's Hospital Care Assurance Program (HCAP) and FCMH's Community Financial Assistance (CFA) program.

Please be aware, you may receive additional bills from physicians and/or other professionals that take part in delivering your care; for example, clinic physicians, radiologists and pathologists.
